It was raining hard that night. In my hurry to get into the house, I didn't notice the black car parked across the road. I realised something was wrong when I saw my father in that car. I came to my sister who was crying over something. I asked her, "What had happened?". She said that a stranger had broken into our house and had stolen all precious things. Suddenly, I heard someone's steps and immediately made an urgent call to police. The police car arrived to my house but the stranger had already gone away. Police officers were trying to catch up with that car but eventually they couldn't do it due to the rain.
